### Report on Swachhata Pakhwada 2025

Date: 19-12-2025

Venue: ICAR-NRC on Pig

As part of the Swachhata Pakhwada 2025 celebrations, the ICAR–National Research Centre on Pig (ICAR-NRC on Pig), Guwahati organized a Campus Cleanliness and Sanitation Drive with special emphasis on the pig farm premises. The drive aimed at enhancing the visual appeal and hygienic status of the areas surrounding the pig farm. Comprehensive sanitation activities were undertaken, including cleaning and disinfection of pig sheds, pavements, and adjoining surroundings. The programme emphasized improving farm aesthetics while simultaneously strengthening on-farm biosecurity measures, thereby broadening the scope of the Swachhata Abhiyan to encompass scientific livestock production systems. The activities under the Campus Cleanliness and Sanitation Drive were coordinated by Dr. Anil Kumar, Technical Officer, ICAR-NRC on Pig.
